H. LUN

H.LUN WINES MEAN FINE QUALITY FROM SOUTH TYROL SINCE 1840

H. LUN wines defend a noteworthy position in the long history of South Tyrolean winery since more than 150 years. With great and foresighted expertise, Alois H. LUN showed professional courage and perseverance already in 1840, when he labelled with his name only the finest South Tyrolean wines from the best locations: the H. LUN quality brand was born.
After more than a century of tradition, the H.LUN winery has been taken over by the Cornaiano cellar and is now managed as an independent brand. To this day, however, nothing has impaired the principle of distinction by continuity and quality.

ST. MAGDALENER

ALTO ADIGE DOC

Our winemaker carefully separates the grapes by location and quality in order to interpret the multi-faceted Alto Adige terroir to its fullest extent. Then and now, masterhood means to choose each grape variety from the right location in order to maintain the individuality of the H.LUN wines.
On the south-facing slopes around Bozen, the Vernatsch and Lagrein ripen to produce this elegant red wine. Mellow tannins and a typical bouquet of almonds and violets give this acclaimed wine Its distinctive character.
