

H.LUN WINES MEAN FINE QUALITY FROM SOUTH TYROL SINCE 1840

H. LUN wines defend a noteworthy position in the long history of South Tyrolean winery since more than 150 years. With great and foresighted expertise, Alois H. LUN showed professional courage and perseverance already in 1840, when he labelled with his name only the finest South Tyrolean wines from the best locations: the H. LUN quality brand was born.

After more than a century of tradition, the H.LUN winery has been taken over by the Cornaiano cellar and is now managed as an independent brand. To this day, however, nothing has impaired the principle of distinction by continuity and quality.

SANDBICHLER LAGREIN RISERVA

ALTO ADIGE DOC

The Sandbichler wines are the culmination of our quality production and as such they are subjected to strictest selection processes in the vineyard. Extraordinary richness, aromatic intensity and careful refining distinguish our white wines and contribute to their remarkable longevity. Thanks to proper maceration and a long and cosy maturity, our red wines are the excellent result of many years of tradition.

This vine variety is grown on profound alluvial soil in the Egna area. Lagrein has an old tradition here and meets excellent conditions for growing. The fully ripened grapes develop by modern fermentation on the skins in barriques into a vividly coloured wine with a subtle taste of currants, chocolate and eucalyptus. Strong on the palate, with velvety tannins, soft and persistent.
